## Community Priorities for April 2022

### 1. Preventing Residential Burglary

Most burglars are not master criminals – they're opportunists. In nearly a third of all reported burglaries the residents had left windows or a door open.

By taking some simple precautions you can make your home a safer place.

- Keep doors and windows locked even when you are at home
- Make your home appear occupied, at all times, by using timer switches
- Hide vehicle keys and don't leave valuables on display
- If you have a garage, use it to keep your car secure
