## **2. Community Priorities for May 2023**

**Humbertalking has set our priorities, this month we are to:**

### **. Reduce ASB - Improve the quality of life in the community**

In the last 3 months there have been 26 calls for service to this area. This is a drop by 11 calls since last month. 17 of these incidents were youth related. There were 9 public order offences and 6 violence/assault logs.

Tackling Anti-social behaviour and offending at Flemingate. Neighbourhood Policing Teams will continue to patrol the area on foot, specifically in afternoons and evenings when we generally get the most calls for service. When suspects have been identified, proportionate action is being

taken to hold them to account while also diverting them away from causing further issues. In order to reduce this further we need residents to continue to report incidents and provide the identity of those responsible if possible.

We will continue to monitor and patrol the area and assess the impact.

We would also encourage the community to report any issues by calling Humberside Police on 101 (non-emergency number) or CrimeStoppers on 0800 555 111.

## **High Visibility Presence in local shops.**

We still have an increase in shop thefts so we will be conducting more high visibility through the coming weeks.

## **Preventing Theft**

We are aware of concerns regarding Thefts in the ward area.

### **Action taken:**

We have been working hard to provide support and guidance to prevent further offences, whilst completing enquiries to identify and tackle those responsible.

We will be completing regular patrols in the areas of concern.

If anybody has information about those responsible for these offences, then please contact us through the 101 number or alternatively, by calling the independent charity CrimeStoppers (0800 555 111).

## **How you can help**

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.
