Parish/Town News Release

Two arrested following burglary

Two teenage boys were arrested following a burglary at an address on St Giles Croft in Beverley earlier last week.

On Monday 25 September it was reported that somebody forced entry to the property and stole keys before using them to take a car from outside.

The car was then reportedly driven erratically through Beverley before being involved in a collision on Lockwood Road. The people in the vehicle reportedly fled the scene on foot.

An investigation was launched, and two boys were arrested on suspicion of burglary, both have been bailed whilst our enquiries continue.

Anyone with information is asked to call our non-emergency 101 line quoting 342 of 25 September.

2. Community Priorities for October 2023

Humbertalking has set our priorities, this month we are to:

1. Reduce ASB – improve the quality of life in the community!

Action – Humberside Police's Halloween campaign aimed at helping combat burglary offences, help reduce incidents of Anti-Social behaviour and to provide advice and support to the local communities.

Officers from neighbourhood policing teams will be going out and speaking to schools across the force about anti-social behaviour and encouraging youngsters to enjoy the festivities without becoming a nuisance in their neighbourhood.

Retailers are reminded of their responsibility not to sell flour and eggs to youngsters on the run up to Halloween and Mischief Night. Posters available from My Community Alert.

2. Preventing Residential dwelling Burglaries

Is anybody home?

Parish/Town News Release

**Serving our communities to

- Lights – You can get plug-in timers for your lamps – and timers for your ceiling lights. Don't just light up the hall. Fool a burglar by lighting up the landing, bathroom, bedroom and living room too. Really fox him by varying the times each light comes on.
- Sound advice – Use a plug-in timer for a radio – make it a talk station rather than music.
- Windows – Remember to shut all windows, even small and upstairs ones, when you leave the house, in your garden or in the rear of your property. If you're upstairs, close your downstairs windows and if you're planning some time away, get a trusted neighbour to shut the curtains at night. You could return the favour some time!

3. Tackling Rural Crime:

Rural Crime is not limited to the farmyard. Serious and organised crime groups are often linked to rural and wildlife crime particularly in relation to theft of agricultural machinery and poaching like hare coursing.

Our patrols are reminding farmers to review their security and to keep their properties/equipment safe.

In relation to the security of Tractor GPS Receiver and Screens, please visit the Police website for crime prevention advice around MARK IT, REMOVE IT and LOCK IT.

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

Annual return of Hull Fair

As the sweet smell of candy floss fills the air and flashing lights brighten the night sky, this Friday (6th October) we welcome the annual return of Hull Fair.

We will be out and about every day and night throughout the event, supporting Hull City Council, so that you can enjoy your time at the fair.

Ahead of the fair, here are some tips and advice to help you stay safe:

- Leave any valuables such as tablets, jewellery, and credit cards at home. Only take with you what you absolutely need and remember to lock all windows and doors before you leave your home and car.
- Consider using one of the park and ride services if possible.
- If you are driving, park in a well-lit, busy area and agree on a pre-arranged meeting place should you become separated from friends or family.
- Consider wearing clothes that have pockets with zips to keep your money and mobile phones secure.
- If you are taking small children to the fair, take a photo of them beforehand so we can see exactly what they are wearing should they go missing.
- Write your contact details on a piece of paper and put it in the pocket of the children that you are taking so we can get in touch if we find them!
- Just in case you need them, make sure you are familiar with the location of first aid, the police, and the lost/found children offices.

If you see anything suspicious, immediately report it to a police officer, PCSO, steward or fairground staff.
