2. Community Priorities for November 2023

Humbertalking has set our priorities, this month we are to:

1. Reduce ASB – Improve the quality of life in the community!

Action - Humberside Police's Halloween & Bonfire campaign aimed at helping to combat burglary offences, help reduce incidents of Anti-Social Behaviour and to provide advice and support to the local communities.

UPDATE: Officers from neighbourhood policing teams have been out in schools across the force talking about anti-social behaviour and encouraging youngsters to enjoy the festivities without becoming a nuisance in their neighbourhood.

Retailers are reminded of their responsibility not to sell flour and eggs to youngsters on the run up to Bonfire Night. Posters available from My Community Alert

Wheelie Bin Safety
Reduce your risk of a wheelie bin fire

We would like to encourage residents and businesses to store all bins away to avoid them becoming a target for arsonists.

- Store all wheelie bins away, especially at night
- Only place your wheelie bin out on collection day and return it to your property as soon as possible
- Whenever possible, wheelie bins should be stored securely behind locked gates
- Do not overfill your wheelie bins or leave loose rubbish around them

Deliberate fire setting is a criminal offence - Please report it.

For further advice or information please call us on 0300 303 8242 or visit www.humbersidefire.gov.uk

Along with our partners at Humberside Fire and Rescue Service we are urging residents to be extra vigilant around Bonfire Night to ensure the season goes off with a bang for all the right reasons.

Attending an organised event with a professional firework display is safer and more spectacular, but we wish to make the public aware of the dangers of building their own bonfires.

Bonfire Night should not be viewed as a chance to burn waste or household rubbish. They should be recycled or disposed of using the household collection service or at one of the waste and recycling centres across the region.

Patrols will be working alongside Humberside Fire to identify illegal bonfires being built in the run up to Bonfire Night itself.

As always, there will be a crackdown on the illegal sale of fireworks. If the public are concerned by rogue suppliers, please contact **Trading Standards on 0808 223 1133** or for a fly-tipping concern, then they should ring East Riding of Yorkshire Council – 01482 393939

2. Preventing Residential dwelling Burglaries

As the nights get darker and longer, it is usual for us to see crimes such as burglary and theft rise, particularly if houses and vehicles are unattended whilst you are gathering at firework displays.

Burglars are often opportunistic thieves who prey on houses, garages, sheds and outbuildings. They seek out any opening that they can take advantage of, specifically doors and windows that are left open or unlocked or are easy to force.

Please follow a security routine and check windows, doors and vehicles are secure before settling down for the evening. Visit our website for further advice www.humberside.police.uk/information-advice Please continue to report suspicious activity to the Police on 101 and in the event of an emergency – call 999

Action

During the autumn and winter months, members of our Policing Team will continue be out and about providing residents with advice on home security.

3. Tackling Rural Crime:

A rural crime is a crime that takes place in a rural location and includes:

- **Farm/agricultural related crime:** theft of/or damage to plant vehicles, equipment or livestock
- **Wildlife environmental related crime:** animal cruelty, poaching, badger baiting, killing or taking of wild birds or damage of protected habitats.
- **Heritage related crime:** theft/damage or removal of articles from historic sites.
- **Rural related crime:** day-to-day community criminality, including violence, damage and theft.

Rural locations are defined by using the DEFRA/Office of National Statistics output areas.

If you require advice or guidance in relation to possible wildlife incidents, please contact your local Wildlife Crime trained officer.

If you do see anything suspicious, please report it.

999 if there is a crime in progress or 101 for non-emergency incidents.

If you see a crime in progress or there is a threat to life, always dial 999.

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.
