Humber-talking has set our priorities, this month we are to:

1. Improving Road Safety

You've no idea what's around the corner so slow down and give yourself time to react. Be ready to meet cyclists and slow-moving vehicles when you least expect them on rural roads. If you're out for a country drive, look out for other road users. Don't forget to "LOOK, LOOK & LOOK AGAIN" for those on two wheels.

Remember to share the road and we ask drivers to look out for Walkers, Cyclists and Horse Riders – Give them plenty of room.

ACTION

As we leave winter and enter the spring months, our Policing Teams will continue to be out and about policing our roads.

2. Reduce ASB - Improve the quality of life in the community

This period is always one of our busiest, you will see a clear police presence on patrol in and around your neighbourhood over this period.

Action

Our Policing Teams works with our key partners and the community to reduce anti-social behaviour and the anti-social use of motor vehicles. We provide proactive responses to reports of anti-social behaviour in our neighbourhood Area and are constantly reviewing our patrol strategy to address this. We are working hard with partners to address this and ensure our market towns and rural communities are a safe place to live and work.

3. Tackling Rural Crime:

Rural crime is not limited to the farmyard. Serious and organised crime groups are often linked to rural and wildlife crime particularly in relation to theft of agricultural machinery and poaching like hare coursing. Our patrols are reminding farmers to review their security and to keep their properties/equipment safe. In relation to the security of Tractor GPS Receiver and Screens, please visit the Police website for crime prevention advice around MARK IT, REMOVE IT and LOCK IT.

ACTION: Operation GALILEO has restarted for the season. Throughout this year we have worked with volunteers on the Rural Watches across the whole of the East Riding to deter rural criminality. In addition, we will utilise all the available technology, crime prevention techniques and assistance from the Rural Crime Team to deter and detect crime.

Parish/Town News Release

Community Payback is a scheme that involves people who have been sentenced by the courts to do unpaid work in our communities to improve them. If you are a community organisation, you can have a say in where that work happens by nominating places that you feel would benefit from it.

It may be an alleyway that's full of rubbish that needs tidying up, wasteland requiring clearing, graffiti removing from walls or decorating your community centre, the jobs can be big or small. Our communities should be safer spaces for everyone, and Community Payback can help to make improvements.

You can nominate your community project by visiting the government website, who will then contact you and discuss whether community payback is appropriate. By carrying out this work we are encouraging offenders to take more responsibility for their actions and become better citizens.

Nominate your Community Payback project by visiting the HM Prison and Probation Service webpage at www.gov.uk/nominate-community-payback-project
