1.Preventing Residential Burglary – SHEDUCATION

At this time of year when spring arrives and the clocks go forward, Burglaries of sheds and garages usually start growing! The police together with Neighbourhood Watch Groups are asking for your help. The value of property in sheds and garages is more than people think. Thieves are targeting them for power tools, cycles, and sports equipment. Hand tools are stolen and used to break into homes.

Action

During this month members of all three Policing Teams will continue be out and about providing residents with advice on home security.

*Let's weed out these thieves by getting some sheducation!
Secure the access to your shed or garage by locking gates and using thorny bushes.*

Parish/Town News Release

Have you visibly marked the contents of your shed? Note of serial numbers, take photos.

External security lights which are activated by movement are a useful deterrent. Doors of sheds require attention. Use strong hasp/staples and close shackled padlocks. Use coach bolts or non-return screws to secure door hinges.

Chain cycles, mowers, ladders, and tools to a strong anchorage point.

Alarms for sheds and garages are available for under £20 at most DIY stores.

Together we'll crack crime. Join a home watch scheme.

Exactly what insurance cover do you have? Check that your household policy covers you for theft from your garden and outbuildings.

Action

During this month members of the Beverley Rural Policing Team will continue to be out and about patrolling the community to deter anti-social behaviour along with reassuring the public.

2. Preventing Anti-Social Behaviour

Antisocial behaviour (ASB) is any conduct that has caused or is likely to cause harassment, alarm, or distress to any person. It comes in many forms of behaviour that provoke a range of responses, from mild annoyance to overwhelming fear and insecurity. Incidents may be isolated or within a pattern of behaviour, and ASB can have a devastating effect on the lives of people and their communities.

Depending on the nature of the behaviour, it can be dealt with by the police or the antisocial behaviour team at your local council.

3. Road Safety

As with most other areas, road safety is something in which we can improve upon within our community.

Action

With the return of all children to our primary schools after the Easter Holiday, the Community Teams will be conducting patrols around the schools making sure that the roads are safe for everyone especial for our young members outside the schools' gates.

How You can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

The number to call for non-emergency issues is 101.
