On the 6th June 2024, the D-Day 80 events will mark 80 years since one of the most significant military operations in history as we remember with everlasting gratitude those who gave their lives for freedom in Europe.

Beacons are being simultaneously lit across the UK and around the world in “tribute” to the *light of peace* that emerged from the darkness of war.

**Woodmansey Parish is proud to be hosting our own
Beacon Lighting Ceremony at the Woodmansey Village Hall.**

**Come and join us for this unique opportunity to pay tribute to
those that paid the ultimate sacrifice.**

This is a **FREE OF CHARGE** ticketed public event, but space is limited and tickets are available on a first come – first served basis.

**Book your tickets today by visiting the dedicated
Woodmansey Parish D-Day 80 Facebook Page.**
