

Parish/Town News Release

Beverley Rural Area August 2025

Beverley and Rural Ward – July 2025

Meet the team-

Your Neighbourhood Policing Team (NPT) plays a vital role in tackling many of the local issues that matter to you. They are out in your area every day, and always available to offer crime prevention advice or for you to raise concerns with.

Each NPT consists of a dedicated Sergeant, Police Constable (PCs) and Police Community Support Officers (PCSOs) all under the command of an inspector. While they may be the ones you see the most, the NPTs do not work alone. They are supported by staff and officers from across the whole Humberside Police force area, and they work closely with local authorities, community leaders and residents to decide the local policing priorities for the area and find useful, long-term solutions.

Our approach is shaped by four key themes: We protect vulnerable people and keep people safe; We are out in your communities, visible, listening and working with you to deliver the services you need; We successfully tackle crime and ASB; We will be there when you need us.

Insp 5567 Wilson

PCSO 7644 Legrove

What's happening in Your Area & Community Priorities?

Parish/Town News Release

New: Our Neighbourhood Policing Team (NPT) campaign, linked to the NPCC's **Safer Streets Summer** initiative to keep our communities safe and connected.

Humbertalking has set our priorities, this month we are to:

1. Reducing Anti-social behaviour
2. HumberTalking

*Here's a summary of **just some** of the crimes that have been reported across Rural last month:*

Residential Burglary reports

16/7/25 High Stile, attempt residential burglary to property after unknown male is seen on camera trying the door handle which was locked and then walks to the side gate and tries that which was also locked. Enquiries ongoing.

Business Burglary reports

Parish/Town News Release

No new reports made

Theft

22/7/25 Churchfields, domestic related theft from property – personal items, suspect named and enquiries ongoing.

23/7/25 Beverley Service Station, theft of diesel, suspect named and enquiries ongoing.

Criminal Damage

10/7/25 A1079 – criminal damage to rear of police vehicle after prisoner whilst being transported to custody has urinated in the rear of the police van. Enquiries ongoing.

Humber-talking has set our priorities, this month we are to:

- 1. Tackling Anti-Social Behaviour** - We regularly deploy high visibility patrols to our communities in response to reports of criminal damage, drug dealing and anti-social behaviour involving scrambler bikes and mopeds. The local policing team have also had productive meetings with partners from East Riding Council, Parish Councils and Neighbourhood Watch groups to listen to community concerns. Anyone who wishes to report anti-social or criminal behaviour can contact The Police on 101 or East Riding of Yorkshire Council on 01482 393939
- 2. HumberTalking** - Humber Talking is still being undertaken in the Beverley and rural areas. We will be speaking with householders on their doorstep however if you would rather

Parish/Town News Release

My Community Alert is a free web service which you can subscribe to and receive bespoke information from Humberside Police and our partner agencies.

It allows you to register to receive real time messages about incidents happening in your neighbourhood that may affect you or your family.

Choose how you would like to receive messages – by text, voicemail, or email – how often you would like to receive alerts and about the issues that matter to you, from collisions and road closures to missing people.

Find out more by visiting www.mycommunityalert.co.uk and watch a short video and to sign up to start receiving alerts now.

Neighbourhood Policing is so much more than community engagement to all our officers, it's an opportunity to make a difference in tackling crime, anti-social behaviour, working with partners to solve community-based problems as well as gathering information to help inform the bigger policing picture.

"I hope that you enjoy finding out a bit more about them and the brilliant work they do to remain community focused, workforce focused, and victim focused day in day out.

"Together, we can make our streets safer this summer, and beyond."

Keep an eye on our website, and social media accounts for more on what we're getting up to, and of course sign up to [My Community Alert](#) to find out what's happening on your street

Parish/Town News Release

Stay safe, stay water-wise!

The East Riding region, with its long stretch of coastline and large tidal river, is a beautiful yet potentially dangerous place to enjoy water activities. Whether you're visiting the sea, a lake, a river, it's important to be aware of water safety.

Water safety tips:

- Obey any warning and safety signs
- If you are going out on your own, let someone know where you are going and when you are coming back
- Look out for trip or slip hazards around water and stick to proper pathways
- Remember riverbanks and cliff edges may be unstable and give way

Never enter the water to try to save someone.

Parish/Town News Release

Remember: Float to Live

If you find yourself struggling in the water, don't panic. It's natural to want to swim hard, but cold-water shock can make this dangerous. Instead, focus on Floating to Live.

- Tilt your head back with your ears submerged to help you float. Relax and breathe normally.
- Spread your arms and legs to stay more stable. Don't worry if your legs sink a little – we all float differently!
- Once you're breathing normally, call for help or swim to safety.

Do you know what your child is doing behind closed doors?

For the first time, Counter Terrorism Policing, MI5, and the National Crime Agency are jointly calling on parents and carers to support their children to be safer online during the summer break.

We are increasingly seeing children being routinely exposed to the most serious harmful online content.

This includes sexual violence, self-harm and suicide content, extreme gore, animal cruelty, indecent images of children, and terrorist content.

This bombardment of online harms can quickly become normalised. Worryingly, some of the children who come to our attention are completely desensitised to extreme and obscene content.
